Sharing news from your community

Wishing you a Happy 4th July!

Message from HOA President, Ken Lambright

It's hard to believe we are into the second half of 2021 already! We hope you have all been enjoying the July 4th celebrations, from the annual golf parade down at the Pier Village to the extravagant firework displays across the island. It is wonderful to be able to celebrate properly this year, given the restrictions of 2020. We are looking forward to our own community get together this month, with our first neighborhood social - more details on that below. It is also wonderful to see Shaw's Bounty growing, with new neighbors moving in and even a new house under construction.

Committee Highlights

The last few months have seen a surge in activity in the neighborhood, from new swimming pools and gardens to home extensions!

It has certainly been a busy time for our **Vice President of the Board and Chair of the Architecture & Landscape Design and Review, Mitchell Davenport!** He has been looking over numerous architecture plans and landscaping requests over the last few months. This is evident by the number of construction projects that are sprinkled throughout our neighborhood, from new swimming pools and landscapes to screened porches and more! We are delighted to see so many people clearly enjoying their home space!

We realize that this hive of construction brings many more trucks and activity to our neighborhood, and this can cause congestion. With school out for the summer, we ask that if you are getting any work done, to please let your vendors know to be mindful of the speed limit and kids playing in the streets. Please also ensure they use off street parking where possible to minimize neighborhood traffic jams!

Summer Social!

We are excited to announce our community get together on August 1st

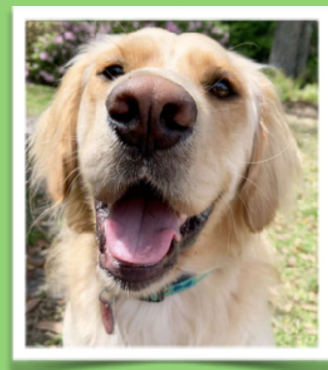

Board Member and Chair of the Social Committee, John Pollack has been busy putting together an event for the Shaw's Bounty neighborhood that you simply do not want to miss! Come and join the fun and meet with your neighbors on **Sunday, August 1, 4:00 – 7:00pm** at the **HOA property beside the pond on Settler's Road**, next to Brandi and Paul Scott's residence.

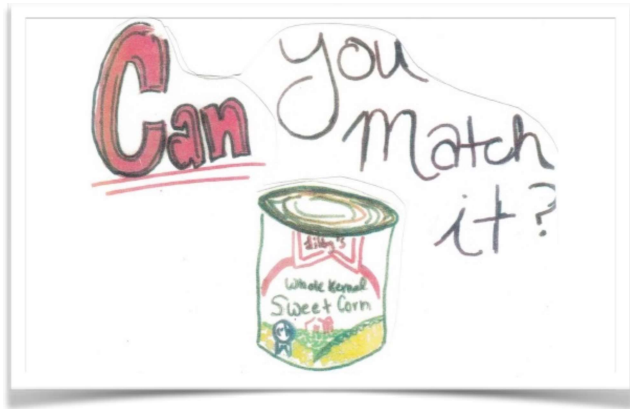

There will be delicious tacos on offer from Jefacitas Mobile Kitchen and entertainment by local musician, Don Drury. Just bring a beverage of choice and a chair. RSVP to John via email at jpollock@rich.com by **July 15 with the number of adults and kids who will attend**. We look forward to seeing you there!

FIREWORKS AND PETS

July 4th is a time for celebration; grilling out, pool parties and firework displays. But did you know that cats and dogs have much sharper hearing than humans and often become terrified and disoriented from the loud noises?

- If you are bringing your pet to a firework display, make sure you have them properly harnessed. Many dogs are known to run away from the sounds.
- If you go out and leave your pets alone at home, protect them by keeping them in a room without windows and put on music to help drown out the noises.
- Thunder shirts, CBD oil or anti-anxiety meds from a vet often help ease your dog's fear.
- Cats often hide under beds so check there first if you think they may have escaped from the house.
- Always make sure your pet's ID tag has up to date contact information should they run away.
